
Dear Joseph Hornyak,

Thank you for you're service. I had a great grandfather who was in World War II also! I never met him but enough about me. You are a huge inspiration to me! I wish that I was related to you. It must have been a hard choice to fight at 19 and leave you're parents. What was it like? I wish you the best for the rest of you're life!

-Sincerely,
Katherine Giardumo
